

Pilot Deviations / ATC Controller Forum

Aspects and types of pilot deviations. Open discussion with pilots and ATC Representative. Get answers to the questions regarding this topic. Note: Nearly 4000 Pilot Deviations are investigated each year. Many of those deviations could, under slightly different circumstances, have resulted in mid-air collisions.

Directions: This meeting will be held in the lobby of the FBO

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
